

# Senior Housing

A rental programme that provides lifetime housing stability.

Senior Housing is designed for those aged 65 years or older, who meet income and asset testing. This provides secure, healthy and affordable homes for life.

If you qualify for Senior Housing under the Affordable Rental programme, your rent may be subsidised up to 20%, based on your income.

If you qualify for Senior Housing under the Public Housing Rental programme, your rent is set by the Ministry of Housing and Urban Development and is set at around 25% of your household income.

Senior Housing homes are warm, dry and comfortable.

Senior Housing offers reduced rent, based on your household income.

Senior Housing provides a home for life.
